## What Happens at the Kick-Off:

Listen to a thought-provoking discussion on the health status of our community.

Explore a first-ever local strategy that engages and coordinates community-wide efforts to improve health.

Discuss how community leaders can raise health awareness.

Hear how some local organizations are developing models that can be widely adopted.

Learn about preparations for a Comprehensive Community Health Needs Assessment.

*Coordinated by Glendale Healthy Kids & Glendale Healthier Community Coalition  
Sponsored by the Healthcare Foundation at Glendale Adventist Medical Center*
